7. Round 2 of Postseason will be a \$5.00 gate entry fee for adults ages 15 and up (free for coaches with a valid badge or anyone under the age of 15) that must be turned into the JFLOCI Office. Round 2 Hosting Areas will keep 100% of concession profits.
8. Championship Games require a \$5.00 gate entry fee for adults ages 15 and up (free for coaches with a valid badge or anyone under the age of 15) that must be turned into the JFLOCI Office. Since the JFLOCI coordinates all Championship concessions through an outside vendor, the JFLOCI will keep 100% of concession profits.

10. The League may elect to raise the price of post-season gate fees for the purpose of covering credit card/non-cash transaction fees and systems if such method is offered.

## **ADDITIONAL POSTSEASON RULES**

### **OVERTIME RULES**

All age levels will utilize the standard IHSA tie breaker procedure for games ending in a tie score after regulation time has expired. This rule includes Bowls.

### **Unsportsmanlike Postseason Point Manipulation**

Any complaints of unsportsmanlike postseason points manipulation shall be submitted in writing by the Head Coach or Director and turned into the League office by 4pm Monday following the game. The offending team will have the option to respond to the complaint within 2 business days of the Area Director being notified. The JFLOCI Manager will forward the complaint and the response to the Infraction Committee on the same day

the response is received. The Infraction Committee will review the complaint and provide a ruling within 2 business days. Five (5) points will be deducted from the offending team's postseason points if the Infraction Committee rules that an unsportsmanlike postseason point manipulation took place.

**Definition:** when the team leading the game can take a knee to end the game but attempts to score it shall be considered unsportsmanlike conduct violating the unsportsmanlike postseason point manipulation rule. For example, if a team calls timeout with 30 seconds to play while ahead by 19 points to score more points, this would be considered unsportsmanlike manipulation, and the offending team would be deducted 5 postseason points.
